HAWORTH

Who We Are

About Interphase Interiors

Interphase Interiors, Inc. has been a Haworth Preferred Dealer for over 40 years, serving Western and Northern Michigan from our offices in Grand Rapids and Traverse City. We are the proud recipient of many awards, including the Haworth President's Circle and the Masters Club. Our excellence in customer service and support has earned us Haworth's Best in Class designation for the past nine years.

Creating Authentic Spaces, One Relationship At A Time

We strive to be a dedicated and trusted partner to our clients. Translating physical environments into real-life business goals informs everything we do. Our strategy starts by listening to our clients to clearly define goals and understand the connections between space, culture and behavior. By bringing together our vast workplace knowledge and combining it with expertise, we will create tailored solutions that supports truly successful organizations.

Values-Driven

Our values are our fundamental beliefs. They define our business behavior, inform our decisions, and in our world of rapid change, our values are a guide for today's activities and tomorrow's growth.

HAWORTH

Best In Class Dealer

Form Of Organization

Interphase Office Interiors, Inc. is a corporation organized in and under the laws of the State of Michigan and City of Grand Rapids. Our corporate headquarters is located at 415 Leonard St NW in Grand Rapids, statewide offices located in Traverse City & Detroit.

Interphase Approach

Design Process

Interphase is excited to partner with you and work collaboratively to create your space.

The Interphase design team will layout the floor plan within the requirements of the space and your needs. Once the initial design is finished, 2D and 3D renderings will be created and sent to you. The renderings will be reviewed to ensure your needs are met.

After all final changes are approved, a finish selection meeting will be held to review all finishes for the project. You will review and sign off on a final finish selection sheet.

Order Process

Interphase Interiors designed our process to ensure a seamless experience with the highest level of accuracy. Our checks and balances start from our first proposal to the customer. Our process involves two designers to verify all proposals before they are sent out. In addition to our designer specification check, we require our sales team to execute an additional specification check with their designer. When the job is ready for order we create our sales order packet. The sales order packet is not completed and ordered until we have your final approval.

The following items are included in the order packet:

Final Quote

Terms and Conditions

Installation quote to complete job including customer contact information for installation on site.

Internal signed spec check from the designer and account executive

Once all of the above items are signed and approved by the appropriate parties, the project coordinator will receive the packet and begin entering the order. Once the order is entered and acknowledged back from the manufacturer the project coordinator will forward the ship date and projected installation date to the customer contact listed on the information sheet.

Interphase Approach

Long Term Customer Service

Interphase will assist customers through all phases of the project and beyond. We have many long-standing client relationships. We view all client partnerships as an ongoing process. We keep in contact with clients even after installation is complete to ensure everything is functioning as expected. This process ensures we are always ready for any future moves, adds or changes. If team members change in any part of the project, Interphase will communicate those changes as quickly as available.

Interphase Team

Melinda Kimmer – Overall Account Contact
Latisha Littleton – Designer
Josh Hansen – Project Coordination
Josh Durkee – Operations Management
Carrie Shaffer – Product and Order Management
Brian Johnson – General Manager
Dave Shaffer – CEO

Haworth Team

Nicole Franzen Kuklewski – Territory Sales Manager
Jack Mendoza – Major Projects Team Leader
Sydney Huss – Dealer Experience Specialist

**Because of our team approach, you may always contact anyone
in our organizations to assist.**

Interphase Approach

Quality Assurance

When deliveries are received, all items are inventoried with a unique inventory number. The inventory number is then used to track product as it goes out of the warehouse and to the designated job site. During project installation, quality assurance is handled daily, via punch walk list through. Once the project is complete a final punch list walk through is scheduled with the client, lead installer, designer and account executive to ensure the entire project meets expectations. Any quality or warranty issues that arise are handled by the service department.

Project Details

Our team of experts are here to help. During the course of your project, Interphase will help with the following, at your request:

- Provide full product information and systems planning options
- Confirm specifications in accordance with architectural drawings and approved standards
- Help establish budgets
- Place orders and verify accuracy of confirmation with manufacturers
- Inspect merchandise upon arrival and expedite any repairs / replacements
- Coordinate delivery and supervise installation of merchandise
- Complete final punch list inspection and sign off after installation
- Arrange for proper follow up maintenance and service

Step 1: Upon installation completion, we will perform a detailed 'walk-through' of the space to detail and document any issues to be taken care of.

Step 2: After reviewing the list for accuracy, our designer, account executive, and lead installer will ensure all required pieces are ordered in a timely fashion.

Step 3: Once the complete order has arrived at the warehouse, we will contact you to schedule a date to perform the corrective actions.

Step 4: Upon completion of the punch list corrective actions, we will do a final walk through with you to ensure project satisfaction.

Melinda Kimmer

Account Executive

Melinda Kimmer

Account Executive

217-821-1490

melindakimmer@interphaseinc.com

Indiana State University:
Bachelors of Science
Interior Design
Associates Degree
Marketing

Biography:

Melinda Kimmer brings a positive attitude and nearly 20 years of industry experience. Starting her career as an Interior Designer for Kovert Hawkins Architects (Tower Pinkster), with a specialty in K-12 Education. Passionate about ensuring all the pieces of a puzzle work perfectly together, she works diligently to make complex projects simple and easy to understand. Melinda is dedicated to building deep relationships with her clients based on trust and is the main point of contact for any questions and concerns throughout the entire project process.

Melinda will display a bias for action & provide timely client service.

Project Specific Role:

- Primary point of contact for all customer related inquiries.
- Assessing project needs to select furniture and finishes appropriately.
- Handling all quotes, order submittals and install coordination.
- ***Primary point of contact for all customer related inquiries.

Major Projects Supported:

- Lafontaine Ford & Bronco
- Michigan Central – Book Depository
- George P Johnson – Global Headquarters
- Ford Motor Company – Allen Park Test Laboratory
- Rocket Companies – Amrock – StockX
- Zeiss & Smith Group

Josh Durkee

Director of Operations

Josh Durkee

Director of Operations
joshd@interphaseinc.com

Time Spent at Ferris State University
1997 – 1998

High School Diploma, Hastings 1997

Biography:

As Interphase Interior’s Director of Operations, Josh will ensure smooth project completion. Josh has over 15 years of furniture industry installation experience. Starting as a lead installer and project manager, Josh has overseen multiple large-scale projects in the field and is frequently requested by our clients to manage their projects. Josh is Haworth certified in multiple products including Compose, Unigroup, and Workware. His expertise and ability to strategically solve challenges on site will be a valuable asset to this project.

Project Specific Role:

- Assessing project needs to select furniture and finishes appropriately.
- Support to Account Executive and Director of Operations.

Major Projects Supported:

- Corewell Health Head Quarters
- Priority Health Main Campus
- Grand Rapids Community College Lakeshore Campus
- Warner Norcross and Judd Grand Rapids Head Quarters
- Dematic Holland

SCHOOL SPECIALTY

OVERVIEW

Our Interchange Half Moon Activity Table has a rejuvenated look with our Interchange Ellipse leg sets. The tables offer a stable work surface for the classroom. Interchange Activity tables match the look and style of Interchange student desks for a uniform look in the classroom.

MATERIALS

The leg sets are made in pairs, made of 16 gauge steel elliptical stems and inserts, 14 gauge cross brace and 12 gauge plates. Frame consists of two fully welded segments. Legs have a full, even and long lasting powdercoat finish. Ends are protected with a textured cap and securely captured leveling glide for fine tuning adjustment on uneven floors. Table height adjusts from 22" - 34" in 1" increments. Adjustment for each leg is secured by two 3/8" set screws.

The work surface is made of 1 1/4" or 3/4" thick, high density particle board core, double sided with a 0.030" high pressure laminate and bumper edge that is mechanically fastened every 6"-8". Tops are pre-drilled for leg set attachment and ease of installation. Tables and legs are supported by one 2" x 3" channel with four breakovers for optimum strength.

OVERVIEW

The Cascade Teacher Desk offers a stable, mobile and versatile workspace with integrated wireway and modesty panel plus the unique capabilities of Cascade storage. It offers a scalable solution for organization, storage and distribution of learning materials.

MATERIALS

The 1 1/4" thick work surface consists of a 45 lb. density particle board core with a .030" high-pressure laminated surface and a .020" melamine backer sheet. The edge of the work surface features a bumper edge molding (choices listed below) that is mechanically fastened every 6 to 8 inches to assure a long lasting fit.

The pedestal is constructed of fully welded 20 gauge steel components and comes standard with 3" plate casters. Each plate caster takes 4 machine screws to fasten to the ped. The box-box-file pedestal has drawers on ball bearing slides and a lock for security. The leg is 1 5/8" x 10" double wall panel of 12-,14- and 18-gauge steel with rounded edges and a 16-gauge steel tube 1 3/4" x 2" base. The modesty panel is mechanically fastened to the pedestals and to the laminated top.

OVERVIEW

The Cascade series provides storage for a wide variety of items. The Mega-Cabinet is a large width, medium height cabinet in the Cascade grouping, measuring in at 43 5/16" tall, 42 3/8" wide and 19" deep.

MATERIALS

The end panels are made of 18-gauge 1" square tubing, welded flush to an 18-gauge end panel. The inside of each end panel is reinforced by 22-gauge hat channels. These hat channels are dual purpose: added strength and for tote rail shelf mounting. The dome top is 18-gauge formed and welded construction, bolted to each end panel and rear panel with a total of 10 machine screw fasteners. The base is a durable 18-gauge steel construction formed and welded to support the entire weight of the unit squarely. Underneath is a heavy welded hat channel reinforcement. The base shelf is attached to both end panels using 4 machine screw fasteners. The rear panel is 18-gauge steel reinforced with up to three vertical hat channels. Two grommet holes (a lower and upper) are punched for convenient wire management and electronic storage. Casters are 5" in diameter, with 2 locking. Optional glides are 3/8" threaded stem.

Riser shelves are sized perfectly for each cabinet size. Mega-Cabinet riser shelves are made of 1 1/4" thick density particle board with your choice of laminate and T-Mold color. Shelf is suspended 6 inches above the dome top with 4 riser shelf handles, which measure 1 1/2" diameter and come in Platinum powder coat paint finish (0.03" thickness). These riser shelf handles bolt on from underneath the dome top with a hefty 3" washer.

The optional doors include a secure and reliable locking mechanism, which engages lock rods into the dome top and the base shelf. Doors also come with urethane ergonomic and modern door handles of your color choice. The fully hinged doors articulate 270 degrees, free of obstruction.

OVERVIEW

The Cascade series provides storage for a wide variety of items. The Mega-Tower is a large width, tall height cabinet in the Cascade grouping, measuring in at 61-3/8" tall, 43" wide and 19" deep.

MATERIALS

The end panels are made of 18-gauge 1" square tubing, welded flush to an 18-gauge end panel. The inside of each end panel is reinforced by 22-gauge hat channels. These hat channels are dual purpose: added strength and for tote rail shelf mounting. The dome top is 18-gauge formed and welded construction, bolted to each end panel and rear panel with a total of 10 machine screw fasteners. The base is a durable 18-gauge steel construction formed and welded to support the entire weight of the unit squarely. Underneath is a heavy welded hat channel reinforcement. The base shelf is attached to both end panels using 4 machine screw fasteners. The rear panel is 18-gauge steel reinforced with up to three vertical hat channels. moving you forward

LearnFit[®] Sit-Stand Desk

- Easy adjustment: Find the most comfortable, ergonomic height sitting or standing
- Premium casters: Moves effortlessly over carpeted or hard-surfaced floors, and between classrooms, break rooms and offices
- Durable finish: Quality materials withstand the rigors of daily classroom use
- Large worksurface: Includes cup holder, tablet slot and pencil tray, plus backpack hook
- More productivity: Helps harness focus, drive collaboration and boost creativity
- No sweat set-up: Assembles in less than one minute—no tools needed
- Quality that lasts: Comes with a full 10-year warranty

PERFECT FOR CREATING DYNAMIC, FLEXIBLE CLASSROOMS

Adjustable furniture creates opportunities for movement and cooperative learning that students and teachers love. The flexible design of a LearnFit Sit-Stand Desk allows students and teachers to personalize how they learn and work, and quickly reconfigure the classroom for the task at hand.

ADD A STORAGE BIN OR WIRE BASKET TO KEEP ESSENTIALS CLOSE.

PREMIUM CASTERS ARE EASY TO MANEUVER AND EFFORTLESSLY LOCK IN PLACE.

Focus Side

MULTIPURPOSE CHAIR, COUNTER STOOL AND BAR STOOL

*Where comfort, style
and ergonomics
converge.*

The revitalized Focus™ Side combines comfort and design for multi-purpose, office or reception areas. Choose either the 4-leg side chair, bar or counter stools in 3 back options – mesh, upholstered and wood. Two different frame finishes permit it to blend in—or stand out. Focus Side is part of a broad and versatile collection that includes executive and task models. Designed to complement Focus and Amplify task chairs.

Smith System®

Limited Lifetime Warranty

- The following Smith System warranty applies to products shipped after May 1, 2021.
- Smith System promises to repair or replace any Smith System brand product or component that is substantially defective (loss of serviceability) in material or workmanship for twelve years and lifetime for metal frames on chairs and tables for the original purchaser, or at our election give credit up to the invoice price of the product only. This is your sole and exclusive remedy for products found by Smith System to be defective. This warranty, which runs from the date of shipment, is subject to the limitations, exclusions, and other provisions below.
- Smith System may repair or replace, at its sole discretion, any portion of the subject product, which proves to be defective under the terms of this limited warranty at no further cost to the buyer. Smith System shall be liable under this limited warranty only for the cost or, at its option, the repair or replacement of defective products. Smith System will not pay labor costs associated with repairs or replacements. All incidental or consequential damages which may arise, including, but not limited to, lost profits, personal property damage, and third-party liabilities are hereby expressly excluded. Likewise, Smith System will not be responsible for any damage to the customer's property caused by the incompatibility of the product with the customer's flooring and other customer property.
- Exclusions:
 - This warranty does not apply and no other warranty applies to:
 - Normal wear and tear, which are to be expected over the course of ownership.
 - Defects caused by abusive or abnormal use of the product.
 - Damage caused by the carrier in transit, which will be handled under separate terms.
 - Modifications or attachments to the product that are not approved by Smith System.
 - Products that were not installed, used or maintained in accordance with product instructions and warnings.
- Smith System products (not including Flowform® Outdoor) are not intended or warranted for outdoor use. In addition, some natural color variations occurring in plastics, laminates, paints, or other natural materials are inherent to their character, and cannot be avoided. Therefore, they are not considered defects. Smith System does not warrant the colorfastness or matching of colors, grains, or textures of such materials. Customer's own materials selected by and used at the request of a user are not warranted.
- ** Recommended that Flowform Outdoor soft seating be bolted to a stable surface and be set in a covered area. Damage to Flowform Outdoor soft seating caused by animals and/or natural disaster is not covered under warranty.*

Smith System®

Warranty Period

- Lifetime on Chair/Desk/Table frames.
- Lifetime on Cascade® Storage and Free Standing Pedestals.
- Lifetime on Booktrucks and Carts.
- Lifetime on wire book baskets, backpack hooks and technology baskets.
- Lifetime on all totes and tote rails.
- Fifteen year on Theorem® Dolly.
- Twelve year on Chair Shells & Table Tops.
- Twelve year on Oodle®.

Rifton Terms of Sale

Last Modified: November 19, 2020

Terms

To improve our products we reserve the right to alter design or materials without prior notice. The product dimensions and weights on this website are approximate and intended for description. All goods offered subject to availability.

Rifton Equipment is not a Medicaid provider. If you wish to purchase equipment through a third party payer, contact your local rehab equipment supplier.

Prices online are effective at the time of order and are subject to change without notice.

For public schools and all who have established a charge account with us, terms are 30 days net.

For all other customers, payment is due with order.

Residents of most states must include sales tax with their order, or provide a Sales Tax Exemption Certificate.

Free delivery in 48 states

Our normal delivery time anywhere in the 48 contiguous United States is 2 weeks or less. Our trucker is responsible for delivering your order inside the threshold of your building. Absolutely free freight. No catch. No minimum order.

For residents of Alaska and Hawaii

If you live in Honolulu, Anchorage, Fairbanks, and Juneau you will be charged 5% over retail price to cover the cost of shipping. Residents outside these cities will be charged an additional 15% over retail price. We only ship to US addresses, so if you need shipping to other countries, see our list of foreign distributors.

Credit on returns

If you wish to return a Rifton product, please call us for return instructions within 30 days of receiving it. For a refund less 10% restocking fee, the product must be in brand new condition and in original packaging. (Please hold on to your carton and packaging materials until you are certain that your order fulfills your needs.) We will arrange all the details and pay for the return shipment.

You are responsible for repackaging the item. No unauthorized returns are accepted.

Please note that for reasons of health and safety we cannot allow the return of toileting, bathing or shower products that have been removed from their original packaging.

Credit card payments

We accept Visa, MasterCard, American Express and Discover credit or debit cards. Payments will be charged as soon as you order and then generally deliver within two weeks. With regard to privacy, we do not store your credit card number; you will be asked for this information every time you use your card.

Full one-year warranty

We offer a full one-year warranty. No nonsense, no small print. If one of our products breaks or fails in service during the first year we will replace it free of charge.

WARRANTY INFORMATION

Exclusive 12 Year Limited Warranty

Exclusive 12 Year Limited Warranty

Enwork warrants that the goods shall be free from defects in materials or workmanship for a period of twelve (12) years except as follows. Proxi Electric bases are warranted for a period of seven (7) years. Taper edge (contour laminate) worksurfaces, height-adjustable tables, electrical components, pneumatic cylinders, traditional key and lock cores, drawer slides, and glides are warranted for a period of five (5) years. Universal Locker digital and mechanical locks are warranted for a period of two (2) years. Casters are warranted for a period of one (1) year. There is no warranty for "self-edge" chipping or peeling, or on appliances.

Upholstery fabrics, vinyl, and polyurethanes are warranted from defects in material and workmanship for five (5) years. Customer's own materials (COM) are not covered by this warranty. Consult with upholstery materials suppliers for performance criteria and suitability of individual materials. Textiles and laminates are sold subject to minor variations of color. Since textiles vary in weave, thickness and memory, some creasing and/or gathering may occur during the upholstery application process. Because leather is a natural product, variations of texture are common and should be expected. This warranty excludes any type of misuse, abuse, as well as ordinary wear and tear.

Pursuant to this warranty, if a product fails under ordinary use as a result of a defect in materials or workmanship, Enwork will, at its option, (a) repair the affected product at no charge, (b) replace the affected product at no charge with a new or refurbished product of comparable function, performance, and quality, or (c) refund the original purchase price for the affected product if repair or replacement is not commercially practicable or cannot be completed in a timely manner. This warranty applies solely to the original Buyer with the period starting on the date of shipment, and only for products shipped to and sold for use in the U.S. and Canada. This is Enwork's sole and exclusive warranty, and the Buyer waives all others.

The foregoing warranty shall not apply to damage caused under the following circumstances: (a) damage caused during shipping (this will be handled under separate terms); (b) modifications or attachments to the product that are not Enwork approved; (c) products that were not installed, used or maintained in accordance with product instructions and normal industry practice; (d) products used for rental purpose; (e) damage caused by misapplication of cleaning product; (f) natural variations in wood grain, color, texture, figure, or the presence of character marks; or (g) changes in surface finishes due to aging or exposure to light; or (h) damage, marking, or staining of veneer surfaces due to contact with rubber or similar compounds, damage from sharp objects, or imprinting from writing instruments. If a damaged product is repairable, Enwork may, at its option, permit the Buyer to repair the item and Enwork will issue a credit to the Buyer in accordance with Enwork's repair allowance schedule.

Warranty Disclaimer. Enwork expressly and unconditionally disclaims any and all warranties, express or implied, including but not limited to any warranties of fitness for a particular purpose or merchantability, or warranties based on oral representations from Enwork's personnel or agents, affirmations, models, drawings, samples, promotional literature whether in print, on the internet or in any other format or media.

Limitation of Liability. Enwork's maximum cumulative liability to buyer shall not exceed the purchase price of the goods claimed defective. In no event shall Enwork be liable for any indirect, incidental, special or consequential damages of any type or kind, including but not limited to lost profits, lost business opportunities or lost goodwill, relating to the goods sold hereunder, their installation or use, whether in contract, tort pursuant to statute or otherwise, even if Enwork has been advised of the possibility of such damages.

Indemnity. Buyer shall indemnify and save Enwork harmless from and against all claims of any type or kind for personal injury or property damage, including all costs and attorney's fees, made or alleged as a result of Buyer in any way or manner incorporating or installing any item purchased herein into another product manufactured, assembled, sold or marketed by Buyer.

No Design or other services provided. This agreement involves the sale of goods only. Buyer does not hire Enwork to perform any design services or for the production of any drawing or other media relative to the goods sold pursuant to this Agreement or Buyer's end product. To the extent that Enwork offers any advice or produces any drawings or other media, Enwork does so as a courtesy to the Buyer and Buyer agrees that it will not rely on such advice, drawing or other media and Enwork shall not be liable for any matter arising from such advice, drawings or other media. Buyer shall have no recourse against Enwork for any services of any type or kind. Buyer shall be solely and exclusively responsible for use and/or installation of all items purchased herein. The items sold herein are based on Buyer's descriptions and Buyer bears sole responsibility for ensuring that the products sold meet Buyer's needs and expectations and are suitable for Buyer's intended use. Enwork is not responsible for Buyer's inaccurate or inadequate design or Buyer's furnishing of incorrect information.

Correction of Errors. Enwork shall have the right to correct any errors, whether clerical or mathematical, which are contained in this Agreement or any term sheet or invoice.

Disputes. All disputes of any type or kind, shall be determined by a court of competent jurisdiction which is situated in Kent County, Michigan. Buyer irrevocably consents to such exclusive venue and jurisdiction.

Miscellaneous. Buyer shall not assign any rights under this Agreement without the prior written consent of Seller. Failure to exercise any rights under this Agreement shall not constitute a waiver and a waiver on one occasion will not constitute a waiver of the same item on any subsequent occasion. No waiver or amendment to this Agreement shall be effective unless it is in writing and signed by authorized representatives of both parties. Paragraph headings are for reference only and are of no legal force or effect. All notices shall be provided to the addresses set forth in this Agreement and if none is provided, to the party's resident agent in the state of incorporation or organization. This Agreement shall be governed by the law of the State of Michigan without regard to any conflicts of law principles. Wherever possible, all terms shall be interpreted consistently. In the event of a conflict with regard to price, payment terms or delivery, the typed provisions on a separate or attached term sheet shall control over the printed provisions on this Agreement. For any other conflict, these Terms and Conditions shall control. No usage in trade shall create a conflict with the terms of this Agreement. Seller reserves the right to correct any typographical errors anywhere in this Agreement. A facsimile signature or a legally valid electronic substitute for a signature shall bind Buyer. If any provisions are determined to be unenforceable, the remainder of the Agreement shall remain in full force and effect.

Entire Agreement. This is the complete and exclusive statement of the terms and conditions relating to the subject matter of this Agreement and all negotiations and representations, if any, made prior to the execution of this Agreement are merged into this Agreement. Seller shall not be bound by any agent's or employee's representations, promises, or inducements not set forth in this writing unless such representation, promise or inducement is set forth in writing, dated subsequent to this Agreement, and signed by an authorized officer of Seller.

Product Issue Instructions

Shipping Damages and Claims

Should you receive any portion of a shipment in damaged condition, either apparent or concealed, it is the duty of the customer to note any suspected damage on the carrier's delivery receipt, to accept the damaged goods, and to contact Enwork immediately to begin the freight claim process. Do not install damaged product. All damaged product and packaging must be retained until the freight claim is settled. Failure to retain damaged product and packaging will result in a transfer of liability from Enwork to the customer. Enwork will not warranty custom one-piece tops over 96" from freight damage. Concealed Damage: Freight damage must be reported to Enwork within 5 days of receipt. Failure to report freight damage within this timeframe will result in a transfer of liability from Enwork to the customer. Claims and questions can be submitted to info@enwork.com.

Defective Products

Enwork may request samples, photos, or videos demonstrating the defect. No merchandise shall be returned or scrapped without prior approval from Enwork. All unauthorized returns may be refused by Enwork and returned to the customer. Credit or reimbursement will be issued for the original purchase price or a replacement will be sent. Enwork reserves the right to request the return of any or all defective products. Enwork also reserves the right to repair defects in the field with an Enwork-provided repair team.

Repair Authorization

Requests for Enwork funded repairs by Enwork dealers must be submitted in writing prior to repair work. Repairs made without Enwork's consent will not be funded. Repair costs for warranty or defect issues must be reasonable.

Credit for Returned Goods

Credit will not be honored for returned merchandise until all returned goods have been checked by the Enwork Quality Control Division and confirmed to be defective.

Pricing

Prices in this Price List are United States list prices and include freight (subject to minimum order quantities) within the continental U.S. and to most of Canada. Canadian market orders can be invoiced and paid in U.S. or Canadian dollars. Enwork's USD:CAD conversion rate is posted on enwork.com and typically updated quarterly. Canadian market orders must specify USD or CAD on the order. The Canadian Dollar price will be based on the conversion rate in effect at the time the order is received. For convenience, the exchange rate and GST will be included as separate line items on order acknowledgments and invoices.

WARRANTY

Product Warranty Periods

Exemplis LLC, d.b.a. SitOnIt Seating (hereafter referred to as the Company), warrants to the original end user that this product will be free from defects in its material and workmanship when used in a single shift (standard eight-hour day, five days per week) for the following warranty periods:

LIFETIME WARRANTY COVERAGE:

- All SitOnIt Seating products, except where noted below

- Mouse pads
- Wrist rests

1. Weight capacity of the monitor arms must be followed. If an arm is not functioning properly because of the weight of the monitor is outside of the advertised weight capacity, the monitor arm will not be considered defective under the warranty.

2. Please note that electrical components on a height-adjustable table include: hand controls, motors, control boxes and electrical cables.

3. This warranty does not cover damage from ordinary wear and tear, including paint finish changes and/or discoloration resulting from aging or exposure to light.

4. Warranty limited to finishes, tacking surface of tack boards and writing surface of whiteboards. Standard textiles limited to original manufacturer's warranty.

5. Power components are defined as any power unit with electrical outlets and/or USB/data connections, connector jumper cables for daisy chain and infeeds for hardwire applications.

WARRANTY

Freight Warranty

At SitOnIt Seating™, we take pride in crafting one-of-a-kind pieces. Products are thoughtfully inspected prior to being carefully wrapped and packed for shipment. Upon receiving your order, should your order be less than perfect, please follow these steps for an expedited resolution:

IF DAMAGE IS VISIBLE:

- Please accept shipment and report damages on the freight bill.
- Contact SitOnIt Seating Customer Experience to report the issue within 10 days after delivery.

IF DAMAGE IS CONCEALED:

- Save merchandise and packaging.
- Take a photo to document the damage.
- Contact SitOnIt Seating Customer Experience to report the issue within 60 days after delivery.

Either way, we are here to help! SitOnIt Seating Customer Experience Team is on standby to assist Monday through Friday, 5:00 a.m. to 5:00 p.m. PST. Call (888) 274-8664 or email sitonit@exemplis.com.

The Company Does Not Warranty

- COM/COL textiles
- Product abuse or misuse
- Failure resulting from normal wear and tear
- User modification of or attachments to the product
- Products or parts not used, maintained or installed in accordance with the Company's installation, maintenance and/or applicable guidelines
- Products that are exposed to extreme environmental conditions and/or have been subject to improper storage
- Floor samples or display models
- The substitution or use of non-SitOnIt Seating components with SitOnIt Seating products
- Products purchased "as is" and/or secondhand
- Products sold by unauthorized dealers
- Creasing and/or gathering of textiles during upholstery application process
- Minor irregularities of color, surface, grain and texture
- Minor variations of color in textiles
- Variations of texture and natural markings such as neck wrinkles, scratches, backbone marks and stretch marks in leather
- Color matching of textiles exactly to samples, swatches or prior purchases

For orders shipping outside the contiguous 48 U.S. states or the common provinces of Canada (British Columbia, Alberta, Saskatchewan, Manitoba, Ontario, Quebec, New Brunswick & Nova Scotia), we will provide replacement parts and pre-approved labor as determined by our warranty team. However, matching our standard freight policy, we will only ship those replacement parts to a U.S. port. It is up to our dealer to handle freight costs from the U.S. port to their location.

WARRANTY

Applicable Provisions To All Products And Services

The Company will repair or replace with a comparable product, at its option, without charge to the original purchaser, only defective products or parts found defective during the Warranty Period. If requested by the Company, the original purchaser must return the part or product with freight or other shipping charges prepaid.

This warranty shall be effective for the applicable time period beginning from date of purchase as shown on original purchaser's original receipt or other proof of purchase.

For products purchased on or after August 1, 2012, the Company shall pay for all labor costs pre-approved by the Company. The payment of such pre-approved labor costs will be in the form of a credit to an active Company account.

There are no other warranties, expressed or implied, other than those specifically described, including, without limitations, any implied warranty or merchantability or of fitness for a particular purpose. The Company will not be responsible for incidental or consequential damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights and you may have other rights which vary from state to state.

Warranty claims must be reported within 60 days of any concealed damage. The Company will advise you of the procedure to follow when making warranty claims. Call the Company at the number below to explain the defect. Give your name, address and telephone number. Please be prepared with the model number and sales order number found under the seat of the chair.

SitOnIt Seating: (888) 274-8664

WARRANTY

Material and workmanship of standard products are warranted for a period of twelve (12) years from date of original invoice. Wear items, including, but not limited to: glides, casters, locks, pneumatic cylinders, and drawer slides are warranted for a period of five (5) years. Electrical items not manufactured by SurfaceWorks are covered by the original manufacturers under their specified warranty.

This warranty excludes ordinary wear and tear. This warranty excludes non-standard product, including and not limited to, self-edge, non-standard bases, and custom-designed product which falls beyond the standard scope. SurfaceWorks products are intended for Indoor use only. Warranty will be void if products are used outdoors or in humid environments, i.e. a restroom. SurfaceWorks does not warranty height variants. Due to the inconsistent nature of cast iron, overall heights will vary.

SurfaceWorks retains the right to replace or repair at our option any products or parts thereof which are found defective in materials or workmanship. Warranty becomes invalid for products engineered by client whereas construction method, material specifications, or final product assembly adversely affects materials and/or workmanship. In no event shall liability under this warranty exceed the original purchase price. This warranty excludes products that exhibit abuse, improper or unusual use, or if product is subjected to caustic or abrasive cleaning agents. This warranty is invalid if the product is altered from its original condition, or if client performs additional processing on the product that results in any alteration from its original condition. This warranty is expressly made in lieu of any and all other warranties expressed or implied.

NON-OBSOLESCENCE STATEMENT

SurfaceWorks makes a good-faith effort to maintain product availability and functional congruence. SurfaceWorks commits to providing customers with products of comparable function and aesthetic appeal for the duration of our warranty period. Despite an effort to maintain full availability of our products, periodically components may become discontinued either by our suppliers or by our continuing commitment to produce state of the art products. This includes, but is not limited to, finishes, accessories, laminates and other functional components.

Products qualifying for replacement under our warranty program will be replaced with products of most similar function and aesthetics in the event that an identical product is no longer available, at the sole discretion of SurfaceWorks.

IZZY+ PRODUCT WARRANTY

Izzy+ products manufactured by SurfaceWorks after November 1st, 2018 are covered by the standard SurfaceWorks warranty above. Select izzy+ products including Clara, Dewey, Eli, Penny, Nemo and Audrey, manufactured by izzy+ prior to November 1st, 2018, are covered by their original izzy+ warranty and will be serviced by SurfaceWorks. All other izzy+ products, features, materials, custom products or modified products have not been acquired by SurfaceWorks and will not be serviced by SurfaceWorks—please contact JSJ/izzy+ for warranty info on these items.

As a premium brand you can **trust**, we are committed to offering generous product warranties that align with our professional-grade designs.

[Exclusive Remedy](#) | [Warranty Disclaimer and Limitation of Liability](#)

Limited Warranties

All Ergotron® products will remain free of material and workmanship defects for at least five years from the date of receipt, subject to any exceptions, enhancements, exclusions and limitations we outline below.

These warranties do not cover product abuse, product modifications, failure to follow product instructions, improper operations, unauthorized service or repair, improper maintenance or failure to perform preventative maintenance, misuse, damages or defects caused by acts of God, damage from electrical power problems, use of parts or components not supplied by Ergotron, or damage caused by peripherals, accessories or software from external sources.

Ergotron is not responsible for damages, injury or loss arising from not following instructions related to the product's shipment, installation and intended use detailed in installation manuals, supplemental assembly and installation instruction sheets, technical bulletins and/or product literature. You will provide Ergotron immediate written notice of any property damage or personal injury resulting from the use of Ergotron products.

Please note, this Limited Warranty is available only to the original end consumer who purchases from Ergotron or an authorized reseller and the Limited Warranty is non-transferable. For this warranty to be valid, the Ergotron product must have been purchased directly from Ergotron, an authorized distributor, reseller and/or authorized representative of Ergotron. Unless otherwise stated, the warranty period begins from the date of purchase.

Extended Warranties

How to Protect Your Investment Further

Even in the most demanding environments, an extended warranty assures that your investment will fulfill long-term needs. [View all our extended warranties here](#). Our extended warranties follow the same warranty terms and conditions outlined on this page.

Exceptions and Enhancements

Product Categories with Their Own Warranty Terms and Conditions

Monitor Mounts

- 15-year warranty on all TRACE™ products
- 10-year warranty on all HX products and all LX, MXV and MX monitor arms purchased on or after August 1, 2014
- Three-year warranty on all Neo-Flex® products

Charging Systems: Zip and YES

- Limited Lifetime Warranty on the frames for the expected lifetime of the product for defects in material and workmanship
- Five-year warranty on mechanical components such as casters, hinges, doors, handle, lock/padlock, dividers, shelves and associating fasteners
- Three-year warranty on electrical components on timer module, controller, electrical outlets, switches, power buttons or fans
- One-year warranty on cables such as power or ethernet cables

Medical Carts, Integrated Power Systems and Batteries

- One-year warranty on electronic components such as auto lock drawers, auto lock systems, keyboard lights, user interface, battery harness, cables from user interface to power module, touch screen controller, lights, drawer control boards, power distribution unit and base control unit
- Excludes all consumables such as AA batteries
- Two-year warranty on power modules and coiled power cords by Ergotron

CareFit® Pro Medical Carts

- Three-year warranty on CareFit Pro battery capacity; factory-installed onboard CareFit Pro batteries that do not deliver 80% of their rated capacity during the first three years from date of purchase or after 2,000 cycles do not meet capacity performance standards. To claim the warranty, the device must be connected to eKinnex to confirm battery performance.
- Five-year warranty against manufacturer's defects for onboard CareFit Pro LiFe factory-installed batteries (excludes CareFit Pro replacement batteries)

LiFeKinnex™ and CareFit® Pro Hot Swap Lithium Iron (LiFe) Batteries

- Three-year warranty on LiFeKinnex LiFe battery capacity; batteries that do not deliver 80% of their rated capacity during the first three years from date of purchase or after 2,000 cycles when connected to eKinnex for LiFeKinnex software do not meet capacity performance standards. To claim the warranty, the device must be connected to eKinnex for LiFeKinnex to confirm battery performance.
- Three-year warranty against manufacturer's defects for LiFeKinnex batteries

LiFeKinnex™ Power Systems

- Two-year warranty on LiFeKinnex Smart Battery Dock and 4-Bay Charger

StyleView Medical Carts

- Three-year warranty on StyleView electric lift motor and switch

StyleView Lithium Iron Phosphate (LiFe) Batteries

- Three-year warranty on StyleView LiFe battery capacity; factory-installed StyleView LiFe batteries that do not deliver 70% of their rated capacity during the first three years from date of purchase do not meet capacity performance standards. To claim the warranty, the device must be connected to eKinnex to confirm battery performance.
- Five-year warranty against manufacturer's defects on StyleView LiFe factory-installed batteries (excludes StyleView LiFe replacement batteries); StyleView factory-installed LiFe batteries are covered at 100% for the first three years; coverage for years four and five are prorated at 1/60th per month

StyleView Sealed Lead-Acid (SLA) Batteries

- 90-day capacity warranty on factory-installed StyleView SLA batteries (excludes StyleView SLA replacement batteries)
- The capacity warranty may extend to one-year if all three conditions are met:
 1. eKinnex software is installed and remains continually operational to satisfy eligibility requirements are satisfied
 2. SLA battery has not discharged below 25% capacity more than 25 times as recorded by the eKinnex software history
 3. SLA battery has been fully recharged at least once every 36 hours as recorded by the eKinnex software history
- SLA batteries carry a six-month warranty against manufacturer's defects, or as mandated by local law
- Both SLA batteries must be replaced at the same time following the recommendation in the Ergotron user manual or the battery warranty is void

- Warranties on StyleView SLA batteries left unused for more than three consecutive months are void

OEM Products Resold by Ergotron

Original equipment manufacturer (OEM) products resold by Ergotron are covered by the manufacturer's warranty (and not Ergotron) unless otherwise noted.

Office and Classroom Mobile Desks

- 10-year warranty on LearnFit® Sit-Stand Desks
- 10-year warranty on the Ergotron Mobile Desk™ (excluding WorkFit®-C and TeachWell™ desks, which have standard five-year warranties)

Sit-Stand Workstations

- Two-year warranty on WorkFit®-Z Mini
- 10-year warranty on WorkFit® Elevate
- 10-year warranty on JUV for most components; one-year on worksurface

Exclusive Remedy

What Steps to Take for Product Repairs

Warranty Repair

If any Ergotron equipment becomes defective in material or workmanship during the warranty period as determined by Ergotron at its sole discretion, Ergotron may elect to replace or repair the unit or refund the purchase price. You must receive pre-approval by Ergotron for any costs related to the repair or replacement of warranty products.

You must contact Ergotron for a return material authorization (RMA) number by reaching out to Ergotron Customer Care online or by telephone within your specific region. Contact information is available on the [Ergotron website](#). Repairs or product replacement under warranty does not renew or extend the warranty period.

Non-Warranty Repair

You may return a product for repair that is not covered by warranty if you have received a preapproved RMA number from Ergotron Customer Care. Labor costs and freight charges associated with non-warranty repair will be the sole responsibility of the customer, reseller or installer/integrator.

A standard repair fee, specific to the product, is charged for any product that is repaired outside of the warranty period. Repairs on products out of warranty also carry a 90-day

warranty, effective the day that you receive the item after repair.

For products that are not covered under warranty, Ergotron offers the following options:

1. You may upgrade to a newer, equivalent product at a similar suggested selling price (SSP)
2. Ergotron will return the product to you at your cost
3. You can request in writing that Ergotron appropriately dispose of the product for you (fees may apply based on local laws)

If Ergotron notifies you that a returned product is not defective after testing, then the product will be returned to you. You would be responsible for the freight charges associated with the return.

Warranty Disclaimer and Limitation of Liability

Except as expressly set forth in this Limited Warranty and to the greatest extent allowed by law, Ergotron makes no other representations, warranties or conditions, express or implied, including any implied representations, warranties or conditions of merchantability, fitness for a particular purpose, non-infringement, and non-interference. Ergotron does not warrant that your use of the Ergotron product will be uninterrupted or error-free. Any implied warranties that may be imposed by law are limited in duration to the Limited Warranty period, to the greatest extent allowed by law.

ERGOTRON SHALL NOT BE LIABLE UNDER THIS WARRANTY FOR ANY INCIDENTAL, CONSEQUENTIAL, SPECIAL OR PUNITIVE DAMAGES ARISING OUT OF THE USE OF ERGOTRON'S PRODUCTS OR SERVICES. ERGOTRON IS NOT LIABLE UNDER THIS WARRANTY FOR ANY DAMAGE AMOUNT MORE THAN THE AMOUNT PAID BY THE END USER FOR THE PRODUCT AND/OR SERVICES.

Some states or countries do not allow a limitation on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages for consumer products. In such states or countries, some exclusions or limitations of this Limited Warranty may not apply to you. This Limited Warranty is subject to change without notification.

Ergotron devices are not intended to cure, treat, mitigate or prevent any disease.
