(a) Termination for Cause

Huron Valley Schools may fully or partially terminate this Contract for cause by notifying the Contractor if the Contractor: (i) breaches any of its material duties or obligations (including a Chronic Failure to meet any SLA); or (ii) fails to cure a

breach within the time period specified in a notice of breach provided by Huron Valley Schools.

The Contractor must pay all reasonable costs incurred by Huron Valley Schools in terminating this Contract for cause, including administrative costs, attorneys' fees and court costs, and any additional costs Huron Valley Schools incurs to procure the deliverable(s) from other sources. Re-procurement costs are not consequential, indirect, or incidental damages, and cannot be excluded by any other terms otherwise included in this Contract, provided the costs are not in excess of 50% more than the prices for the Deliverable(s).

If Huron Valley Schools partially terminates this Contract for cause, any charges payable to the Contractor will be equitably adjusted to reflect those deliverable(s) that are terminated. Huron Valley Schools must pay for all deliverable(s) for which final acceptance has been granted before the termination date. Any services or related provisions of this Contract that are terminated for cause must cease on the effective date of the termination.

If Huron Valley Schools terminates this Contract for cause and it is determined, for any reason, that the Contractor was not in breach of the Contract, the termination will be deemed to have been a termination under Section 7(b), Termination for Convenience, effective as of the same date, and the rights and obligations of the parties will be limited to those provided in that Section.

(b) Termination for Convenience

Huron Valley Schools may fully or partially terminate this Contract for its convenience if Huron Valley Schools determines that a termination is in Huron Valley Schools best interest. Reasons for the termination are within the sole discretion of Huron Valley Schools and may include: (a) Huron Valley Schools no longer needs the deliverable(s) specified in this Contract; (b) a relocation of office, program changes, or changes in laws, rules, or regulations make the Deliverable(s) no longer practical or feasible for Huron Valley Schools; (c) unacceptable prices for Contract changes; or (d) falsification or misrepresentation, by inclusion or non-inclusion, of information material to a response to any RFP issued by Huron Valley Schools. - (v) to the maximum practical extent, take any action to mitigate and limit potential damages, including terminating or limiting subcontracts and outstanding orders for materials and supplies; and
- (vi) take all appropriate action to secure and maintain Huron Valley Schools information confidentially.

If Huron Valley Schools terminates this Contract under Section 7(b), Termination for Convenience, Huron Valley Schools must pay the Contractor all charges due for deliverable(s) provided before the date of termination and, if applicable, as a separate item of payment, for work-in-progress, based on a percentage of completion determined by Huron Valley Schools. All completed or partially completed deliverable(s) prepared by the Contractor, at the option of Huron Valley Schools, become Huron Valley Schools property, and the Contractor is entitled to receive equitable compensation for those deliverable(s). Regardless of the basis for the termination, Huron Valley Schools is not obligated to pay or otherwise compensate the Contractor for any lost expected future profits, costs, or expenses incurred with respect to deliverable(s) not actually completed.

Huron Valley Schools may remove the Hazardous Material, render it harmless, or terminate the affected work for Huron Valley School's convenience.
- (3) If the Hazardous Material was brought to the site by the Contractor, or wholly or partially results from any violation by the Contractor of any laws covering the use, handling, storage, disposal of, processing, transport and transfer of Hazardous Material, or from any other act or omission within the control of the Contractor, the Contractor must bear its proportionate share of the delay and

costs involved in cleaning up the site and removing and rendering harmless the Hazardous Material according to applicable laws. The Contractor must comply with all applicable federal, state, and local laws and ordinances in providing the products and services.

(e) Headings

The captions and section headings used in this contract are for convenience only and may not be used to interpret the scope and intent of this contract.

(f) Reformation and Severability

Each provision of the contract is severable from all other provisions of the contract. If any provision of this contract is held unenforceable, then the contract will be modified to reflect the parties' original intent. All remaining provisions of the contract remain in full force and effect.

(g) Approval

Unless otherwise provided in this contract, approval(s) must be in writing and must not be unreasonably withheld or delayed.

(h) No Waiver of Default

Failure by a party to insist upon strict adherence to any term of the contract does not waive that party's right to later insist upon strict adherence to that term, or any other term, of the contract.

(i) Survival

The provisions of this contract that impose continuing obligations, including warranties, indemnification, and confidentiality, will survive the expiration or termination of this contract.

(j) Electronic Payment Requirement

The Contractor must be able to receive electronic fund transfer (EFT) payments.

(k) Cooperation with Third Parties

The Contractor and its Subcontractors must cooperate with Huron Valley Schools and its agents and other contractors, including Huron Valley Schools quality assurance personnel. The Contractor must provide reasonable access to its personnel, systems, and facilities related to the contract to the extent that access will not interfere with or jeopardize the safety or operation of the systems or facilities.

(l) Relationship of the Parties

The relationship between Huron Valley Schools and Contractor is that of client and independent contractor. No agent, employee, or servant of the Contractor, or any of its subcontractors, is an employee, agent or servant of Huron Valley Schools. The Contractor will be solely and entirely responsible for its acts and the acts of its agents, employees, servants, and subcontractors during the performance of the Contract.

(m) Time of Performance

(i) The Contractor must immediately notify Huron Valley Schools upon becoming aware of any circumstances that may reasonably be expected to jeopardize the completion of any Deliverable(s) by the scheduled due dates in the latest Huron Valley Schools-approved delivery schedule and must inform Huron Valley Schools of the projected actual delivery date.

(ii) If the Contractor believes that a delay in performance by Huron Valley Schools has caused or will cause the Contractor to be unable to perform its obligations according to specified contract time periods, the Contractor must immediately notify Huron Valley Schools and, to the extent practicable, continue to perform its obligations according to the contract time periods. The Contractor will not be in default for a delay in performance to the extent the delay is caused by Huron Valley Schools.

(n) Excusable Failure

Neither party will be liable for any default, damage or delay in the performance of its obligations that is caused by government regulations or requirements, power failure, electrical surges or current fluctuations, war, forces of nature or acts of God, delays or failures of transportation, equipment shortages, suppliers' failures, acts or omissions of common carriers, fire, riots, civil disorders, labor disputes, embargoes, injunctions (provided the injunction was not issued as a result of any fault or negligence of the party seeking to have its default or delay excused), or any other cause beyond the reasonable control of a party; provided the non-performing party and any Subcontractors are without fault in causing the default or delay, and the default or delay could not have been prevented by reasonable precautions and cannot reasonably be circumvented by the non-performing party through the use of contractor sources, workaroud plans, or other means, including disaster recovery plans.

If a party does not perform its contractual obligations for any of the reasons listed, the non- performing party will be excused from any further performance of its affected obligation(s) for as long as the circumstances prevail. The non-performing party must promptly notify the other party immediately after the excusable failure occurs, and when it abates or ends. Both parties must use commercially reasonable efforts to resume performance.

If any of the reasons listed substantially prevent, hinder, or delay the Contractor's performance of the deliverable(s) for more than 10 days, and Huron Valley Schools reasonably determines that performance is not likely to be resumed within a period of time that is satisfactory to Huron Valley Schools, Huron Valley Schools may: (a) procure the affected deliverable(s) from the contractor's source without liability for payment so long as the delay in performance continues; or (b) terminate any portion of the Contract so affected and equitably adjust charges payable to the Contractor to reflect those deliverable(s) that are terminated. Huron Valley Schools must pay for all deliverable(s) for which Final Acceptance has been granted before the termination date.

The Contractor will not have the right to any additional payments from Huron Valley Schools as a result of any Excusable Failure or to payments for deliverable(s) not provided as a result of the Excusable Failure. The Contractor will not be relieved of a default or delay caused by acts or omissions of its Subcontractors except to the extent that a Subcontractor experiences an Excusable Failure and the Contractor cannot reasonably circumvent the effect of the Subcontractor's default or delay in performance through the use of the contractor's sources, workaroud plans, or other means, including disaster recovery plans.

(o) Retention of Records

- (i) The Contractor must retain all financial and accounting records related to this Contract for a period of seven years after the Contractor performs any work under this contract (Audit Period).
- (ii) If an audit, litigation, or other action involving the Contractor's records is initiated before the end of the Audit Period, the Contractor must retain the records until all issues arising out of the audit, litigation, or other action are resolved or until the end of the Audit Period, whichever is later.

(p) Examination of Records

Huron Valley Schools, upon 10 days-notice to the Contractor, may examine and copy any of the Contractor's records that relate to this contract. Huron Valley Schools does not have the right to review any information deemed confidential by the Contractor if access would require the information to become publicly available. This requirement also applies to the records of any parent, affiliate, or subsidiary organization of the Contractor, or any Subcontractor that performs services in connection with this contract.

(q) Audit Resolution

If necessary, the Contractor and Huron Valley Schools will meet to review any audit report promptly after its issuance. The Contractor must respond to each report in writing within 30 days after receiving the report, unless the report specifies a shorter response time. The Contractor and Huron Valley Schools must develop, agree upon, and monitor an action plan to promptly address and resolve any deficiencies, concerns, or recommendations in the report.

(r) Errors

(i) If an audit reveals any financial errors in the records provided to Huron Valley Schools, the amount in error must be reflected as a credit or debit on the next invoice and subsequent invoices until the amount is paid or refunded in full. However, a credit or debit may not be carried forward for more than four invoices or beyond the termination of the contract. If a balance remains after four invoices, the remaining amount will be due as a payment or refund within 45 days of the last invoice on which the balance appeared or upon termination of the contract, whichever is earlier. (ii) In addition to other available remedies, if the difference between Huron Valley School's actual payment and the correct invoice amount, as determined by an audit, is greater than 10%, the Contractor must pay all reasonable audit costs.

(s) Disclosure of Litigation

(i) Within 30 days after receiving notice of any litigation, investigation, arbitration, or other proceeding (collectively, "Proceeding") that arises during the term of this Contract, the Contractor must disclose the following to the Contract Administrator:

- (2) A parole or probation proceeding;
- (3) A proceeding involving the Contractor (or any Subcontractor) or any of its officers or directors under the Sarbanes-Oxley Act; and
- (4) A civil proceeding to which the Contractor (or, if the Contractor is aware, any Subcontractor) is a party, and which involves (A) a claim that might reasonably be expected to adversely affect the viability or financial stability of the Contractor or any Subcontractor; or (B) a claim or written allegation of fraud against the Contractor (or, if the Contractor is aware, any Subcontractor) by a governmental or public entity arising out of the Contractor's business dealings with governmental or public entities.

(ii) Information provided to Huron Valley Schools from the Contractor's publicly filed documents will satisfy the requirements of this Section.

(iii) If any proceeding that is disclosed to Huron Valley Schools or of which Huron Valley Schools otherwise becomes aware, during the term of this Contract, would cause a reasonable party to be concerned about:

- (1) the ability of the Contractor (or a Subcontractor) to continue to perform this Contract; or
- (2) whether the Contractor (or a Subcontractor) is engaged in conduct that is similar in nature to the conduct alleged in the Proceeding and would constitute a breach of this contract or a violation of federal or state law, regulations, or public policy, then the Contractor must provide Huron Valley Schools all requested reasonable assurances that the Contractor and its Subcontractors will be able to continue to perform this contract.

(t) Other Disclosures

The Contractor must notify Huron Valley Schools Administrator within 30 days of:

3. Insurance

(a) Liability Insurance

For the purpose of this Section, "Huron Valley Schools" includes its departments, divisions, agencies, offices, commissions, officers, employees, and agents.

(i) The following apply to all insurance requirements:

(1) Huron Valley Schools, in its sole discretion, may approve the use of a fully-funded self-insurance program in place of any specified insurance identified in this Section.

(2) Where specific coverage limits are listed in this Section, they represent the minimum acceptable limits. If the Contractor's policy contains higher limits, Huron Valley Schools is entitled to coverage to the extent of the higher limits. The minimum limits of coverage specified are not intended, and may not be construed to limit any liability or indemnity of the Contractor to any indemnified party or other persons.

(3) If the Contractor fails to pay any premium for a required insurance policy, or if any insurer cancels or significantly reduces any required insurance without Huron Valley School's approval, Huron Valley Schools may, after giving the Contractor at least 30-days-notice, pay the premium or procure similar insurance coverage from another company or companies. Huron Valley Schools may deduct any part of the cost from any payment due the Contractor, or require the Contractor to pay that cost upon demand.

(ii) The Contractor must:

(1) provide proof that it has obtained the minimum levels of insurance coverage indicated or required by law, whichever is greater. The insurance must protect

Huron Valley Schools from claims that are alleged or may arise or result from the Contractor's or a Subcontractor's performance, including any person directly or indirectly employed by the Contractor or a Subcontractor, or any person for whose acts the Contractor or a Subcontractor may be liable.

(2) waive all rights against Huron Valley Schools for the recovery of damages that are covered by the insurance policies the Contractor is required to maintain under this Section. The Contractor's failure to obtain and maintain the required insurance will not limit this waiver.

(3) ensure that all insurance coverage provided relative to this Contract is primary and non-contributing to any comparable liability insurance (including self-insurance) carried by Huron Valley Schools.

(4) obtain insurance, unless Huron Valley Schools approves otherwise, from any insurer that has an A.M. Best rating of "A" or better and a financial size of VII or better, or if those ratings are not available, a comparable rating from an insurance rating agency approved by Huron Valley Schools. All policies of insurance must be issued by companies that have been approved to do business in Huron Valley Schools.

(5) maintain all required insurance coverage throughout the term of this Contract and any extensions. However, in the case of claims-made Commercial General Liability policies, the Contractor must secure tail coverage for at least three years following the termination of this Contract.

(6) pay all deductibles.

(b) Subcontractor Insurance Coverage

Except where Huron Valley Schools has approved a subcontract with other insurance provisions, the Contractor must require any Subcontractor to purchase and maintain the insurance coverage required in Section 3.a, Liability Insurance. The Contractor may include a Subcontractor under the Contractor's insurance on the coverage required in that Section. The failure of a Subcontractor to comply with insurance requirements does not limit the Contractor's liability or responsibility.

(c) Certificates of Insurance and Other Requirements

Before the Contract is signed, and not less than 20 days before the insurance expiration date every year thereafter, the Contractor must provide evidence that Huron Valley Schools and its agents, officers, and employees are listed as additional insured's under each commercial general liability and commercial automobile

liability policy. The Contractor must provide Huron Valley Schools Administrator with all applicable certificates of insurance verifying insurance coverage or providing satisfactory evidence of self-insurance as required in Section 3.a, Liability Insurance. Each certificate must be on the standard "accord" form or equivalent and **MUST CONTAIN THE APPLICABLE CONTRACT OR PURCHASE ORDER NUMBER**. (b) Employee Indemnification

In any claims against Huron Valley Schools, its departments, agencies, commissions, officers, employees, and agents, by any employee of the Contractor or any of its subcontractors, the indemnification obligation will not be limited in any way by the amount or type of damages, compensation, or benefits payable by or for the Contractor or any of its subcontractors under worker's disability compensation acts, disability benefit acts, or other employee benefit acts. This indemnification clause is intended to be comprehensive. Any overlap in provisions, or the fact that greater specificity is provided as to some categories of risk, is not intended to limit the scope of indemnification under any other provisions.

(c) Patent/Copyright Infringement Indemnification

(i) To the extent permitted by law, the Contractor must indemnify and hold Huron Valley Schools harmless from liability, including all claims and losses, and all related costs and expenses (including reasonable attorneys' fees and costs of investigation, litigation, settlement, judgments, interest, and penalties) resulting from any action threatened or brought against Huron Valley Schools to the extent that the action is based on a claim that any piece of equipment, software,

commodity, or service supplied by the Contractor or its subcontractors, or its operation, use, or reproduction, infringes any United States patent, copyright, trademark or trade secret of any person or entity.

(ii) If, in Huron Valley Schools or the Contractor's opinion, any piece of equipment, software, commodity or service supplied by the Contractor or its subcontractors, or its operation, use, or reproduction, is likely to become the subject of an infringement claim, the Contractor must, at its expense: (i) procure for the State the right to continue using the equipment, software, commodity or service or, if this option is not reasonably available to the Contractor; (ii) replace or modify to Huron Valley Schools satisfaction the same with equipment, software, commodity or service of equivalent function and performance so that it becomes non-infringing, or, if this option is not reasonably available to Contractor; (iii) accept its return by Huron Valley Schools with appropriate credits to Huron Valley Schools against the Contractor's charges and reimburse Huron Valley Schools for any losses or costs incurred as a consequence of Huron Valley Schools ceasing its use and returning it.

(iii) Notwithstanding the foregoing, the Contractor has no obligation to indemnify or defend Huron Valley Schools for, or to pay any costs, damages or attorneys' fees related to, any infringement claim based upon: (i) equipment, software, commodity or service developed based on written specifications of Huron Valley Schools; (ii) use of the equipment, software, or commodity in a configuration other than implemented or approved by the Contractor, including any modification of the same by Huron Valley Schools; or (iii) the combination, operation, or use of the equipment, software, or commodity with equipment, software, or commodities not supplied by the Contractor under this Contract.

5. Continuing Obligation

The Contractor's duty to indemnify continues in full force and effect, notwithstanding the expiration or early cancellation of the contract, with respect to any claims based on facts or conditions that occurred before expiration or cancellation.

6. Limitation of Liability

Neither the Contractor nor Huron Valley Schools is liable to each other, regardless of the form of action, for consequential, incidental, indirect, or special damages. This limitation of liability does not apply to claims for infringement of United States patent, copyright, trademark or trade secrets; to claims for personal injury or damage to property caused by the gross negligence or willful misconduct of the Contractor; to claims covered by other specific provisions of this contract calling for liquidated damages; or to court costs or attorneys' fees awarded by a court in addition to damages after litigation based on this.

7. Warranties

(iv) If the Contractor procures any equipment, software, or other Deliverable(s) for Huron Valley Schools (including equipment, software, and other Deliverable(s) manufactured, re-marketed or otherwise sold by the Contractor or under the Contractor's name), then the Contractor must assign or otherwise transfer to Huron Valley Schools or its designees, or afford Huron Valley Schools the benefits of, any manufacturer's warranty for the Deliverable(s).

(v) The contract signatory has the authority to enter into this contract on behalf of the Contractor.

(vi) It is qualified and registered to transact business in all locations where required.

(vii) Neither the Contractor nor any affiliates, nor any employee of either, has, will have, or will acquire, any interest that would conflict in any manner with the Contractor's performance of its duties and responsibilities to Huron Valley Schools or otherwise create an appearance of impropriety with respect to the award or performance of this contract. The Contractor must notify Huron Valley Schools about the nature of any conflict or appearance of impropriety within two days of learning about it.

(viii) Neither the Contractor nor any affiliates, nor any employee of either, has accepted or will accept anything of value based on an understanding that the actions of the Contractor, its affiliates, or its employees on behalf of Huron Valley Schools would be influenced. The Contractor must not attempt to influence any Huron Valley Schools employee by the direct or indirect offer of anything of value.

(ix) Neither the Contractor nor any affiliates, nor any employee of either, has paid or agreed to pay any person, other than bona fide employees and consultants working solely for the Contractor or the affiliate, any fee, commission, percentage, brokerage fee, gift, or any other consideration, contingent upon or resulting from the award or making of this Contract.

(xi) All financial statements, reports, and other information furnished by the Contractor to Huron Valley Schools in connection with the award of this contract fairly and accurately represent the Contractor's business, properties, financial condition, and results of operations as of the respective dates covered by the financial statements, reports, or other information. There has been no material adverse change in the Contractor's business, properties, financial condition, or results of operation.

(xii) All written information furnished to Huron Valley Schools by or for the Contractor in connection with the award of this contract is true, accurate, and complete, and contains no false statement of material fact nor omits any material fact that would make the submitted information misleading.

(xiii) It will immediately notify Huron Valley Schools Administrator if any of the certifications, representations, or disclosures made in the Contractor's original bid response change after the contract is awarded.

(c) Consequences for Breach

In addition to any remedies available in law, if the Contractor breaches any of the warranties contained in Section 3.6, Warranties, the breach may be considered a material default.

(a) Issuing Office

This Contract is issued by Huron Valley Schools on behalf of all counties and local units of government. Huron Valley Schools Administrator or designee is the only entity authorized to modify the terms and conditions of this contract, including the prices and specifications. The Contract Administrator will be designated at the time of the contract award.

(b) Contract Administrator

The Contract Administrator will monitor and coordinate contract activities on a day-to-day basis.

(c) Contract Changes

(i) If Huron Valley Schools requests or directs the Contractor to provide any Deliverable(s) that the Contractor believes are outside the scope of the Contractor's responsibilities under the contract, the Contractor must notify Huron Valley Schools before performing the requested activities. If the Contractor fails to notify Huron Valley Schools, any activities performed will be considered in-scope and not entitled to additional compensation or time. If the Contractor begins work outside the scope of the contract and then ceases performing that work, the Contractor must, at the request of Huron Valley Schools, retract any out-of-scope work that would adversely affect the contract.

(ii) Huron Valley Schools or the Contractor may propose changes to the contract. If the Contractor or Huron Valley Schools requests a change to the Deliverable(s) or if

Huron Valley Schools requests additional Deliverable(s), the Contractor must provide a detailed outline of all work to be done, including tasks, timeframes, listing of key personnel assigned, estimated hours for each individual per Deliverable, and a complete and detailed cost justification. If the parties agree on the proposed change, Huron Valley Schools Administrator will prepare and issue a notice that describes the change, its effects on the Deliverable(s), and any affected components of the contract (Contract Change Notice).

(ii) Following the presentation of supporting information, both parties will have 30 days to review the supporting information and prepare any written response.

(iii) In the event the review reveals no need for modifications of any type, pricing will remain unchanged unless mutually agreed to by the parties. However, if the review reveals that changes may be recommended, both parties will negotiate in good faith for 30 days unless extended by mutual agreement of the parties.

(iv) If the supporting information reveals a reduction in prices is necessary and Contractor agrees to reduce rates accordingly, then Huron Valley Schools may elect to exercise the next one-year option, if available.

(v) If the supporting information reveals a reduction in prices is necessary and the parties are unable to reach agreement, then Huron Valley Schools may eliminate all remaining contract renewal options.

(vi) Any changes based on the review must be implemented through the issuance of a Contract Change Notice.

(ii) If the Contractor intends to assign this contract or any of the Contractor's rights or duties under the contract, the Contractor must notify Huron Valley Schools and provide adequate information about the assignee at least 90 days before the proposed assignment or as otherwise provided by law or court order. Huron Valley Schools may withhold approval from proposed assignments, subcontracts, or novations if Huron Valley Schools determines, in its sole discretion, that the transfer of responsibility would decrease Huron Valley Schools likelihood of receiving performance on the contract or Huron Valley Schools ability to recover damages.

(iii) If Huron Valley Schools permits an assignment of the Contractor's right to receive payments, the Contractor is not relieved of its responsibility to perform any of its contractual duties. All payments must continue to be made to one entity.

10. Acceptance of Deliverables

(a) Delivery Responsibilities

Huron Valley Schools will notify the Contractor by the end of Huron Valley Schools Review Period that either:

(i) the deliverable is accepted in the form delivered by the Contractor;

(ii) the deliverable is accepted, but noted deficiencies must be corrected; or

(iii) the deliverable is rejected along with notation of any deficiencies that must be corrected before acceptance of the deliverable. If Huron Valley Schools delivers to the Contractor a notice of deficiencies, the Contractor will correct the described deficiencies and within 30 Days resubmit the deliverable(s) with an explanation that demonstrates all corrections have been made to the original deliverable(s). The Contractor's correction efforts will be made at no additional charge. (ii) Huron Valley Schools may inspect the deliverable to confirm that all components have been delivered without material deficiencies. If Huron Valley Schools determines that the deliverable or one of its components has material deficiencies, Huron Valley Schools may reject the deliverable without performing any further inspection or testing.

(iii) Huron Valley Schools will only approve a deliverable after confirming that it conforms to and performs according to its specifications without material deficiency. Huron Valley Schools may, in its discretion, conditionally approve a deliverable that contains material deficiencies if Huron Valley Schools elects to permit the Contractor to correct those deficiencies post-approval. The Contractor remains responsible for working diligently to correct within a reasonable time at the Contractor's expense, all deficiencies in the deliverable that remain outstanding at the time of Huron Valley Schools approval. (d) If, after three opportunities the Contractor is unable to correct all deficiencies, Huron Valley Schools may: (i)

demand that the Contractor cure the failure and give the Contractor additional time to do so at the sole expense of the Contractor; (ii) keep the Contract in force and perform, either itself or through other parties, whatever the Contractor has failed to do, and recover the difference between the cost to cure the deficiency and the Contract price plus an additional amount equal to 10% of Huron Valley Schools cost to cure the deficiency; or (iii) fully or partially terminate the Contract for default by giving notice to the Contractor. Notwithstanding the foregoing, Huron Valley Schools cannot use, as a basis for exercising its termination rights under this Section, deficiencies discovered in a repeat Huron Valley Schools Review Period that could reasonably have been discovered during a prior Huron Valley Schools Review Period.

(iv) Huron Valley Schools, at any time and in its reasonable discretion, may reject the deliverable without notation of all deficiencies if the acceptance process reveals deficiencies in a sufficient quantity or of a sufficient severity that renders continuing the process unproductive or unworkable.

11. Stop Work Order & Termination

(a) Stop Work Order

Huron Valley Schools may, by issuing a Stop Work Order, require that the Contractor fully or partially stop work for a period of up to 90 calendar days, and for any further period to which the parties agree. Within the period of the Stop Work Order, Huron Valley Schools must either: (1) terminate the Stop Work Order; or (2) terminate the work covered by the Stop Work Order.

(b) Termination of Stop Work Order

The Contractor must resume work if Huron Valley Schools terminates a Stop Work Order or if it expires. The parties will agree upon an equitable adjustment in the delivery schedule, the Contract price, or both, and the Contract must be modified, if: (a) the Stop Work Order results in an increase in the time required for, or the Contractor's costs properly allocated to, the performance of the Contract; and (b) the Contractor asserts its right to an equitable adjustment within 20 days after the end of the Stop Work Order by submission of a request for adjustment to Huron Valley Schools; provided that, Huron Valley Schools may receive and act upon the Contractor's request submitted at any time before final payment. Any adjustment will conform to the requirements of Section 9(c), Contract Changes.

(c) Allowance of the Contractor's Costs

If Huron Valley Schools fully or partially terminates the work covered by the Stop Work Order, for reasons other than material breach, the termination is a termination for convenience. Termination by Huron Valley Schools, and Huron Valley Schools will pay reasonable costs resulting from the Stop Work Order in arriving at the termination settlement. Huron Valley Schools is not liable to the Contractor for lost profits because of a Stop Work Order issued under dis 11.ac, Stop Work.

(d) Notice and Right to Cure

If the Contractor breaches the Contract, and Huron Valley Schools, in its sole discretion, determines that the breach is curable, Huron Valley Schools will provide the Contractor notice of the breach and a period of at least 30 days to cure the breach. Huron Valley Schools does not need to provide notice or an opportunity to cure for successive or repeated breaches or if Huron Valley Schools determines, in its sole discretion, that a breach poses a serious and imminent threat to the health or safety of any person or the imminent loss, damage, or destruction of any real or tangible personal property.

The Contractor must provide any required reports and documentation.

(g) Termination by Contractor

If Huron Valley Schools breaches the contract and the Contractor, in its sole discretion, determines that the breach is curable, the Contractor will then provide Huron Valley Schools with notice of the breach and a time period (not less than 30 days) to cure the breach.

The Contractor may terminate this Contract if Huron Valley Schools:

MAC

(i) materially breaches its obligation to pay the Contractor undisputed amounts due;

(ii) breaches its other obligations to an extent that makes it impossible or commercially impractical for the Contractor to complete the deliverable(s); or

(iii) does not cure the breach within the time period specified in a notice of breach. The Contractor must discharge its obligations before it terminates the contract.
