There shall be no use of profanity or obscene language or gestures. Language, gestures, or other actions that depict sexual or ethnic harassment or intimidation will not be permitted.

Contractors are to provide and use required protective safety equipment and comply with all local, state, and federal safety laws and regulations.

Contractors are responsible for the reporting of accidents both to the District and their management and to obtain any emergency treatment that may be required.

MANUFACTURER'S WARRANTY

In the event of a defect, NPS will, at its discretion, either repair or replace the defective product. This warranty does not cover damage resulting from misuse, abuse, or neglect. To initiate a return or request repairs, you must contact your dealer for authorization. This warranty grants you specific rights, and you may also have additional rights that vary by state.

The warranty for butcherblock tabletops is limited to one year due to the fact that the lifespan of natural wood surfaces heavily depends on maintenance, refinishing, and storage. However, the standard 10-year warranty still applies to the overall product, including all other table parts.

Orders are accepted under the express agreement that under no circumstances will seller be liable for any incidental or consequential damages, or for any other loss, damage or expense of any kind, including loss of profits, arising in connection with the order or with the use or inability to use seller's products furnished under the order. Seller's maximum liability shall not exceed and buyer's remedy is limited to either (i) repair or replacement of the defective part or product, or at seller's option (ii) return of the product and refund of the purchase price. Such remedy shall be the buyer's entire and exclusive remedy.

WB Manufacturing warrants that all pneumatic bases and bases with flip mechanisms are free of substantial defects in original materials and workmanship for five (5) years from the date of delivery.

Fomcore products are also warranted to be free of defects in material and workmanship under normal use of the product for five (5) years. Product must be properly cared for, maintained and in use by its original owner. Damage in transit or by negligence, abuse, abnormal usage, misuse, accidents or alterations nullifies the warranty.

1 Year Warranty

Exclusions

This warranty does not apply and no other warranty applies to the following:

- Defects caused by abuse, modification or alteration of the product.
- Any damage caused in transit by the carrier. WB Manufacturing will handle this with separate terms.
- Ordinary wear and tear (including but not limited to, scratching of laminate, phenolic, epoxy and butcher block tops, and ghosting on dry-erase markerboard) involving primary furniture surfaces, which are to be expected over the course of ownership.
- Products installed, used or maintained without following product specifications, assembly instructions or WB Manufacturing recommendations and warnings.
- Any intentional modifications or attachments to the product that were not designed or approved by WB Manufacturing.
- Product exposure to water, high or low humidity.

Warranty Limitations

This warranty is provided only to the initial purchaser, is non-transferable and is valid strictly for as long as the product is owned by the original customer. To be protected under this warranty, all products must be stored in areas of controlled temperature and humidity, and periodic regular scheduled maintenance must be performed. Cleaning of the high pressure laminate should be done by warm water and a non-abrasive cleaner. Abrasive materials should not be used for cleaning.

This warranty does not cover improper assembly/installation, failure as a result of inadequate inspection and maintenance, accident, vandalism or freight damage. Any incidental or consequential

damages, including but not limited to business losses, personal property damage, and third party liabilities are hereby expressly excluded.

WB Manufacturing shall repair or replace, at its discretion, any portion of the product which proves to be defective under the terms of this warranty. Freight and installation costs are not included. WB Manufacturing may elect to substitute a reasonably comparable product, or a cash refund of the original purchase price (less reasonable depreciation) in the event the original warranted product is no longer manufactured at the time the warranty is exercised.

WB Manufacturing products are not recommended or warranted for outdoor use. Some natural color variations occurring in plastics, laminates, paints or other natural materials are inherent to their character and cannot be avoided. WB Manufacturing does not consider these as defects. In addition, color-fastness or matching of colors, grains or textures of such materials are not warranted. Materials used at the request of a user or provided by customer is not warranted.

There are no implied warranties of fitness or merchantability, and there are no other express warranties beyond the warranties expressed here.
